

Geneva School Supply Giveaway 2021

For 20 years, the Geneva School Supply Giveaway has helped students who struggle to purchase necessary supplies for the upcoming school year. Sponsored by the City of Geneva, the giveaway is not only necessary for so many families in our area, but it is also my "best day at work." As the Special Events Coordinator for the City of Geneva, the giveaway is a chance to see the impact the community can make on our local kids. The children we serve are given the peace of mind and confidence in having the supplies they need on the first day of classes. It's a powerful example of putting our youth first.

The giveaway will be held on Aug. 20, 2021 at Geneva High School.

The giveaway served a record number of students in 2020. More than 450 kids went back to school with the supplies they needed - all because of generous partners who made it happen. We anticipate an increased need this year with the economic impact following the pandemic.

The cost to outfit a child with a book bag, and all supplies listed by the Geneva teachers is \$28. I have included a total list of items needed and a total cost per item. Can your organization sponsor one or more item for every student?

Please consider a donation to help this effort. Checks made out to the City of Geneva can be sent to 44. North Forest St., Geneva OH, 44041.

For more information or questions, please email me at margienetzel@gmail.com or call 412-215-4687.

Sincerely,

Margie Netzel
Special events coordinator, City of Geneva

The Geneva School Supply Giveaway breaks down to about \$28 per student. That includes a backpack and every basic supply based on teacher lists of necessary items. Take a look at the total cost per item.

Can your business or organization sponsor an item for each student?
