Geneva a little bit of
EVERYTHING SALE *July 17, 2021*

Vendor FAQ'S *(Please Read)*

The Geneva Sidewalk Sale has been a Geneva tradition for 20 years. In 2019, we opened it up to vendors outside the Geneva business district and registered 160 handcrafters, bakers, artists and vendors.

The weather wasn't on our side that day, but STILL we had more than 50 vendors show up to sell. This year, ALL SPACES WILL BE TENT READY.

FAQ:

Should I bring my own tent? If you registered for an outdoor tent space, you should bring your own tent, tables and chairs.

I need electricity? None of our spaces offer electricity.

What do I need to bring? Your own table and chairs, plus a tent if you wish to have one. Don't forget your mask!

Where are the spaces located? Spaces are located in the lawn of the Geneva United Methodist Church and in the lawn of the Geneva Rotary Pavilion, and no-tent outdoor spaces are located along Main Street and Broadway in downtown Geneva.

What about indoor spaces? Unfortunately, due to COVID restrictions, all spaces are outdoors.

What are your COVID precautions? We will follow ALL state and local COVID safety mandates at the time of the sale. We are taking many steps to make this event fun and safe. Masks are encouraged, even outside; and are required anywhere indoors. Hand sanitizing stations will be available throughout the city. Bathrooms will have occupancy limits..

In 2019 it rained and was very hot? It was! Please be aware that you are registering for a show scheduled for JULY 17. It will most likely be hot outside. We hold this show rain or shine.

What if you have to cancel? Fees must accompany application and are non-refundable, **UNLESS cancellation DUE TO COVID-19 REGULATIONS ONLY**. Refunds will NOT be given for no-show vendors, canceled vendors, or weather. Checks can be made out to the Geneva Business Association.

CHECKS WILL BE HELD UNTIL JULY 1, 2021. PLEASE DATE YOUR CHECK ACCORDINGLY.

I need a special accommodation for bathrooms, etc. No problem. Just note your special need on your application and we will do our best to make it happen.

My best friend/mom/sister/sister-in-law/cousin wants to do this show too and we want to sit next to each other? Sure! Just make a note of it on your application and we will do our very best to make you sale buddies.

How big are spaces? 10 feet by 10 feet in tent spaces. Sidewalk spaces are 10 feet by 3 feet.

How many spaces can I reserve? A maximum of 2 spaces can be reserved per vendor.

How is this event being promoted? In the Star Beacon, Gazette, NorthCoast Voice Magazine, and with paid Facebook ads.

What else? Good news! We will have music throughout the city ALL DAY and Jungle Terry will perform.

I have some really great flea market items I want to sell? Sorry, this is a sale and not a flea market. HOWEVER, Geneva City is hosting Junk in the Trunk sales in June, July and August. Check out their Facebook and website for details.

I still have questions! Email margienetzel@gmail.com with additional questions.
